AL PESCATURISMO

Historic Ittiturismo at the Villaggio del Pescatore

EXPERIENCE OVERVIEW

Al Pescaturismo is a seafood experience located at the Villaggio del Pescatore, on the Trieste coast, in the municipality of Duino-Aurisina. The experience is strongly connected with the local fishing community, mussel farming and aquaculture in the Gulf of Trieste. Presented locally as Italy's first ittiturismo, Al Pescaturismo offers visitors the opportunity to discover the maritime identity of the area through local seafood, traditional flavours and a strong "from sea to table" narrative. It is particularly suitable as a lunch or dinner module after visits to the Timavo River Mouths, the Duino Cliffs, Sistiana, the Villaggio del Pescatore or the mussel farming areas along the Trieste coast.
