VALLE DA PESCA NALON

Traditional Fishing Valley Experience

EXPERIENCE OVERVIEW

Valle Nalon offers guided access to a traditional fishing valley in the Marano Lagoon. Visitors are accompanied by the valesan, the guardian and manager of the valley, whose centuries-old profession relies on experience handed down through generations and a deep understanding of water, wildlife, vegetation and seasonal weather patterns. This unique perspective allows visitors to discover a living wetland landscape where human knowledge and natural processes remain closely connected.
